R.C.A.F. Loses 13 Planes

Night Raid on Nuremberg

Costs 96 Heavy Bombers

Chairman

Exclusive to The Edmonton Bulletin
Copyright, 1944, by The Edmonton Bulletin
LONDON, March 31.—(AP)—The R.C.A.F. bomber command suffered the heaviest loss ever inflicted on an Allied air armada last night when 96 planes were shot down by German night fighters and anti-aircraft guns during a powerful British moonlight assault on the arms centre of Nuremberg and targets in the western Reich.

Thirteen of the missing bombers were from the Royal Canadian Air Force which supplied a large formation for the attack, which was in "very great strength."

The loss exceeded by 17 the previous record toll of 79 R.C.A.F. and Dominion bombers which failed to return from a raid on Leipzig the night of Feb. 28. The highest loss ever suffered by an American air force was 11 B-24 Superfortresses shot down during an attack on the Berlin area March 6.

The Canadian bomber group lost five less than the record of 18 lost by the R.C.A.F. in the heavy attack on Leipzig on the night of Feb. 28.

DROP HEAVY LOAD
Though the bomber command was believed to have lost more than 10 per cent of its raiding fleet, it dropped upwards of 2,240 tons of explosives and fire bombs on Nuremberg, a major industrial city. Adolf Hitler converted into a Nazi party showplace and industrial centre.

The bomber command apparently had gambled on the waning German power of the Luftwaffe to make its first moonlight attack on the city, which was the last of the greatest concentration of night fighters of the war under conditions ideal for interception.

Unprotected by shields of escorting fighters such as guard American daylight formations and only lightly armed, the big R.A.F. and R.C.A.F. bombers fell easy prey to German fighters.

Denies Switching Plane Contracts

OTTAWA, March 31.—(BUP)—The Hon. Minister of Defence, Mr. C. D. Howe, today vigorously denied charges made in the Ontario legislature on Tuesday that contracts for construction of Douglas DC-4 transport aircraft had been transferred to the Canadian Vickers plant at Montreal, although original intentions were that the planes were to be constructed by Victory Aircraft at Malton, Ont.

Allied Invasion Casualties Will Greatly Exceed 50 Per Cent of Troops Engaged

Exclusive to The Edmonton Bulletin
Copyright, 1944, by The Edmonton Bulletin
WASHINGTON, March 31.—Allied casualties will greatly exceed 50 per cent of the troops engaged in the invasion of Western France, War Correspondent Quentin Reynolds predicted today in an article in Collier's magazine.

Reynolds, who witnessed the Commando raid on Dieppe and the battle of Salerno beachhead, said that after establishing beachheads, Allied armies will have to literally blast their way through 50 miles of concrete as they come against the tough German defences.

"The second line of defence is the brain child of the late Maj.-Gen. Fritz Todt," Reynolds said. "To make invasion impossible, he built what the Germans call the 'Atlantic Wall'—a series of concrete fortifications, minefields and anti-aircraft guns, as well as German infantry, their courage and cruelty matched by the hardness of their weapons."

"But," he Reynolds, "when General Eisenhower gives the word to go, it will be because he thinks the chances are good. If he says we can do it, we can do it."

Invading Japs Are Hurdled Back By British Units

By DANIEL BERRIGAN
Exclusive to The Edmonton Bulletin
Copyright, 1944, by The Edmonton Bulletin
LONDON, March 31.—(AP)—The British Empire's first advance force of 10,000 men, the Indian division, was hurled back by British troops after they had established positions covering the road from Imphal to Kohima, it was announced today.

The enemy force which reached the Kohima road after dashing 30 miles across the frontier was said to be only of raiding proportions, but they managed to cut the high-way temporarily.

British and Indian troops at the same time showed they were able to hold their own against the road attack, which was the first time that British troops will attack the invading elements and drive them out before they can reach the main Japanese base.

The situation was described as still dangerous with one party of Japanese, only about 20 miles from the big British supply and command base at Imphal, it was announced today.

On Sakhalin Isle

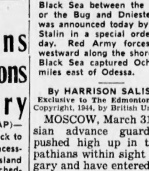

Japan Returns Russ Concessions Before Expiry

LONDON, March 31.—(AP)—Japan has agreed to hand back to Russia the island north of Sakhalin and the island north of Sakhalin, it was announced today in a broadcast recorded by the Soviet monitor.

Russia granted Japan the concessions in the island north of Japan and off the Siberian coast in 1905, they were scheduled to expire in 1970.

Under terms of the protocol, signed March 20 by the Soviet deputy commander for foreign affairs, S. A. Lomonosov, and Japanese ambassador Sato, all Japanese national will be removed from Sakhalin. The date of the removal, if settled upon, was not announced, however.

Canucks, R.A.F. Torpedo Large Nazi Troop Ship

LONDON, March 31.—(CP)—A 14,000-ton German troop ship was torpedoed in R.A.F. and R.C.A.F. attacks on a convoy off Norway, it was announced today.

The announcement said the troop ship, the *Worms*, was hit by a torpedo from a Canadian R.A.F. Beaufighter, which was unable to observe the results because of intense flak. The ship was hit by a second torpedo from a British Beaufighter, which was unable to observe the results because of intense flak.

"It was the strongest escort we have met on that part of the coast," said FO, Arthur Richard Fair, Montreal. "I took on one Messerschmitt and saw him go down in flames."

Widely-Known Officer Takes Welfare Post

Continued from Page One

tion will render a valuable service in this important field.

1. It will act as a channel for the welfare of returned men and to the dependents of soldiers now absent in the armed services.

2. It will act in an advisory capacity to the government in all matters pertaining to the welfare of returned men and the dependents of those still absent in the forces.

3. It will serve as a channel through which efforts can be exerted to bring about changes in legislation and regulations relating to the welfare of returned men and their dependents. In this respect it will serve as a much-needed link between the Dominion and provincial authorities.

The minister said that there shall be one full-time commissioner who will be in charge of two part-time members.

On the request of the provincial government, Lt.-Col. Brown has made application for release from the armed forces, and upon approval will assume the full-time chairman of the commission.

It is expected that the release will come through by July 1, and in the meantime Lt. Col. Brown has served as chairman in reserve with the army of the Empire for 36 years.

As he first joined the army in his native Wales, going out to service with the 2nd Welsh Brigade, Field Artillery, where he was a sergeant for five years of service he was a sergeant.

Coming to Canada in 1913 he enlisted on the outbreak of the first Great War with the 101st Edmonton Fusiliers as a private and was overseas in France.

He was gassed and invalided back to England in 1916 and after returning as an instructor he was returned to the front in 1917. In May of 1918 he again was gassed.

Returning to England he was validated back to Canada, arriving here before the war.

He was awarded the Military Medal for gallantry at Sanctuary Wood in June of 1916. After the war he entered the printing trade and was proof reader at the Edmonton Journal for several years.

SERVED LEGION

Shortly before the outbreak of the present war he was appointed secretary-manager of the Edmonton branch of the Canadian Legion.

Always active in the Reserve Army he was appointed officer commanding the Edmonton garrison commandant in 1937.

At the outbreak of the present war he was named area commander, a post he has held ever since.

At present he is honorary president of the Edmonton branch of the Canadian Legion and was a past president of the Infantry and Machine Gun Association of Canada.

Col. Brown served one term as an alderman.

Two sons are in the services. Gordon is in the army overseas and Norman is a member of the R.C.M.P.

One brother, Maj. Thomas Brown, is serving with the 3rd Bn. Edmonton Fusiliers.

Mr. Tanner, a teacher at Strathcona High school, has always been active in veteran activities in Edmonton. He fought overseas with the 48th Battalion (Edmonton Regiment) and is a member of the provincial post-war reconstruction committee.

Mr. Rees, serving overseas in the first war, attained the rank of major before hostilities concluded.

Wheat Payments Will Be Delayed

OTTAWA, March 31.—(CP)—Trade Minister Mackinnon said yesterday in the Commons that it would not be possible to announce the amounts payable in wheat payment certificates of the 1940-1 and 1941-2 crops before the end of the month as had been hoped. He said it had not yet been possible to arrive at the figure, but it would be announced as soon as possible and that payments in "volume" would begin.

Serving Overseas

STOKER 2nd Class John S. Guthrie, son of Mr. N. Bernard Guthrie, 1125 115 street, and the late Mr. Guthrie, is now serving overseas with the R.C.M.P. Mr. Guthrie served at a most coastal naval station for a time.

Leaves Cancelled By Finnish Army

LONDON, March 31.—(CP)—The Finnish army has cancelled all leave for its soldiers, and all leave papers have been recalled. London morning papers said in Stockholm dispatches quoting the Ministry of Defense.

The report created surprise in Stockholm, where the dispatches said, with most observers expressing a belief that the move was not directed against Russia.

Correspondents also indicated that Russian Finnish troops are again under way and that Britain and the United States have persuaded the Soviets to force repatriation and to delay occupation of Karelia.

It is doubtful that Germany has any new defensive "secret weapon".

The German air force, however, was not proof reader at the Edmonton Journal for several years.

Nazis Withdrawing Planes From East

LONDON, March 31.—(AP)—The forces entering into last night's R.A.F. record loss of 96 bombers, one of the heaviest losses since the war, has been strengthening her guns withdrawn from the Russian and Italian fronts.

It is doubtful that Germany has any new defensive "secret weapon".

The German air force, however, was not proof reader at the Edmonton Journal for several years.

Former Employee Of C.P. Is Dead

NEW WESTMINSTER, B.C., March 31.—(CP)—Ray O. Fitzpatrick, 53, former line printer operator for the Canadian Press in Saskatoon, died in hospital here yesterday.

Fulton was employed by The Canadian Press for 25 years, starting as a Morse telegrapher in 1919, and worked in Lethbridge and Regina before coming to Saskatoon. He retired on a farm near here a year ago when ill-health set in.

Claim by Vichy Is Contradicted

LONDON, March 31.—(CP)—The nation-wide Vichy radio yesterday contradicted its claim made Wednesday that French-Canadian day had been dropped by parachute to reinforce guerrilla fighters in the hills of France.

Canadian parachutists have not arrived," said the broadcaster as he denied "widespread rumors that persons reported to work had been put to bed by the Germans."

Churchill Fit

LONDON, March 31.—(CP)—Prime Minister Churchill looked far from tired and unwell—some persons have reported him to be—yesterday as he won a resounding vote of confidence in the house of Commons. Friends in close touch with the 65-year-old prime minister confirmed that he is well.

Hitler Decree

LONDON, March 31.—(CP)—Hitler decreed yesterday that "every man in greater Germany will have to learn to shoot." The German news agency, reporting the order, said "every German must defend his fatherland must show his readiness."

Physicist Dies

LONDON, March 31.—(AP)—Sir Charles Vernon Boys, 80, noted physicist, died yesterday at a hospital in Addeney, on a brief illness.

Nazi Escapes

STOKER 2nd Class John S. Guthrie, son of Mr. N. Bernard Guthrie, 1125 115 street, and the late Mr. Guthrie, is now serving overseas with the R.C.M.P. Mr. Guthrie served at a most coastal naval station for a time.

Medical Banks of "Spare Parts" Believed Commonplace in Future

WASHINGTON, March 31.—(AP)—Medical banks with iceed deposits of spare human parts for surgical emergencies may be commonplace in the large hospitals of the future, a United States commerce department publication predicted last night.

Similarly, the wonder drug penicillin was pictured as the key to a new world of mold therapy, "holding promise of curative powers over a wide variety of life."

These hints of the shape post-war medicine may take are contained in an article in New Market News from New York.

The author, Evelyn Schwartzman, of the department of drug and pharmaceuticals, said, "the drug industry has held itself in readiness for even more fantastic changes than those brought about by the silks drugs, blood banks and body part transplantation."

Forecasting a decline in blood donations after the war, she noted the possibility of substituting blood bank blood now is being considered as a possibility.

Publisher Amazed By Findings Withheld By Canada's Effort

BUCKINGHAM, March 31.—(CP)—An open court martial trial of the Empress Press, said today "my mind is not at all comforted" at finding in Canada "the same atmosphere of concentration."

Addressing the Canadian Club of Toronto, Mr. Macdonald said in England of Canada's war effort.

"The rising mood of production, the increasing income, the increasing taxation, rationing, many other things, which are accepted ungrudgingly by the British."

Ontario Increases Draft Beer Supply

ONTARIO, March 31.—(CP)—The liquor board of Ontario today announced that effective April 1, the amount of beer to be brewed in the province will be increased by 10 per cent.

It is believed here by authorities on the subject that many Canadian war plants would be able to switch production to war production of goods which would have a ready market in Europe.

These marketing outlets, however, are not just going to fall into the hands of Canadian manufacturers and industrialists. Other countries, such as the United States, Britain, with war plants which must be turned to peacetime purposes or closed down, will be looking to sell their goods also.

Through U.N.R.R.A. a measure of controlled marketing will be achieved in the first stages but there may remain competition for efforts to obtain contracts from that organization.

Mrs. Casselman Made Alternate Govt. Delegate

OTTAWA, March 31.—(CP)—Mrs. Cora T. Casselman, Liberal member of parliament for Edmonton, will be an alternate government delegate to the International Labor Organization convention to be held in Philadelphia next month.

Prime Minister Mackenzie King, announced yesterday, that Mrs. Casselman, parliamentary assistant to the Minister of Labor, will be the government delegate to the convention.

State Gen. Marshall Won't Be Candidate

NEW YORK, March 31.—(AP)—The New York Herald Tribune said in a dispatch from Washington that Gen. George C. Marshall, mentioned as a possible 1944 presidential candidate at various times, "can be definitely counted out of the list of contenders, not only for this year but for future years."

Tito Wants Slav Shipping Protected

LONDON, March 31.—(CP)—Britain has been asked by Dr. R. J. Bicanic, representative of Marshal Tito's (Yugoslav) government, to protect Yugoslav shipping interests against the Royal Navy's action in the Adriatic.

The New York Herald Tribune said in a dispatch from Washington that Gen. George C. Marshall, mentioned as a possible 1944 presidential candidate at various times, "can be definitely counted out of the list of contenders, not only for this year but for future years."

Thief Gets \$1,176

VANCOUVER, March 31.—(CP)—A man who had been in jail for a year yesterday after looting the open safe at the Broadway Lumber Co. Ltd., after while officials of the firm were absent for a few minutes.

Hitler Decree

LONDON, March 31.—(CP)—Hitler decreed yesterday that "every man in greater Germany will have to learn to shoot." The German news agency, reporting the order, said "every German must defend his fatherland must show his readiness."

Physicist Dies

LONDON, March 31.—(AP)—Sir Charles Vernon Boys, 80, noted physicist, died yesterday at a hospital in Addeney, on a brief illness.

Leaving For Coast

Miss Lillian Thomson, former executive director of the Council of Social Agencies, who is leaving Edmonton Saturday for Vancouver, B.C., to attend to the duties of a member of the national council of the Young Women's Christian Association, upon completion of her work there, she will go to council headquarters in Toronto.

Mines in City, District Are Closing Today

higher due to government wage orders. Local mines have been increased \$1.16 plus 32 cents cents commensurate with the U.N.W.O. of A. that had been in existence for years, said agreements regarding the lower wage rates for the local mines.

Rebuilding Europe Chance For Canada

LONDON, March 31.—(CP)—Rebuilding and reconstruction of Europe after the war, said today, "is a Canadian manufacturing concern, industrial firms and business organizations."

A number of large orders have already been placed by U.N.R.R.A. in Canada for firms implementing for European countries, it was learned here, and the work will be extended to other materials and manufactured goods.

Triplets Join New York Quads

NEW YORK, March 31.—(AP)—The Zurich quadruplets, 11, doing well, had three nursery mates today in the 21-week-old triplets, wife of a United States army corporal now stationed in England.

The newborns to the new triplets, born to Col. and Mrs. Herbert R. Schaefer, yesterday, two weighed more than six pounds, three, four, five, and nine ounces. They also were reported in excellent condition.

Mr. Schaefer was delivered to the same name as his three boys, Harry, Zed, 27, mother of the three girls, and boy born Wednesday.

The two mothers had occupied adjacent beds in the hospital. Both anticipated multiple births.

Arrange For Banks To Handle Gasoline Rationing Coupons

OTTAWA, March 31.—(CP)—The government has made arrangements with Canadian banks to maintain gasoline rationing coupon stores and thus keep the coupons out of the hands of their pocket rackets, it was disclosed in the Commons yesterday in a reply by Minister of Finance to G. G. Hottel (L-Toronto) yesterday.

Two Typhoid Fever Suspects Admitted To Brooks Hospital

BROOKS, March 31.—(CP)—Two persons from the Rolling Hills district suspected of having typhoid fever were admitted to Brooks hospital Thursday.

The two persons, who were admitted to the hospital, had been in the same area.

Thief Gets \$1,176

NEW YORK, March 31.—It takes a brave bird to get a robin's-eye view of the baseball training camps these days and the first one to weather its way to our window ledge would be a 4-F in anybody's aviary after surviving "north of the border" temperatures from Bloomington to Bear Mountain and from Wilmington to Wallingford.

CANADIAN SPORTSHOTS

By Syd Thomas

TORONTO, March 31.—(CP)—The situation on the junior hockey fronts has many fans a little dizzy trying to keep up with it all. The Trail Smoke Eaters incident was the most serious because the player involved was a triple A aged for the league but the perfectly legal transfer of players from club to club has many fans following grumbling in different parts of the country.

Oshawa Generals downed St. Michaels and then the rules were allowed to take four of their players as replacements as they went along the line, and deep dark sufferings of "professionalism replacing the amateur sport" are heard from different sport writers.

To make it all more confusing, the juniors and juveniles have been playing in Kitchener, St. Catharines and other centres, where boys play for a time with one club and then switch back to another. It's got so now the fan doesn't know just who he will see on the ice when he goes to a game.

Of course, the French have a phobia about putting on the war, and perhaps when things get back to normal again everything will be changed. But thinking of that, mightn't be such a good idea, because the professional players certainly make for better hockey, and that is what John F. wants. Hang the ethics and let the players fight where they may, could be his slogan.

RECOLLECTION
Anyone who puts around with old hockey record books will have noted that an oddtime secretary of the Ontario Hockey Association is in the news. He is Senator W. A. Buchanan, newly-elected president of the Canadian Press. He was O.H.A. secretary before the present incumbent, W. A. Hewitt, took over in 1903.

INCIDENTALLY
Ernie Brown, former assistant golf pro at Jericho and one of the western playgrounds, wants to promote a high school golf league, something new in the west. Ernie, now a simon-pure at Quilchena, B.C., suggests team of eight players, with points given for singles as well as four-ball golf.

When Port Arthur beat St. James Canadians it marked the first time since 1924 a Lakehead team ousted the Manitoulin champion in Memorial. The late Steve Saprunoff, spare goalie with Trail Smoke Eaters seniors a few years ago, is a prisoner of war in Germany. Saprunoff, an R.C.A.F. warrant officer, was first reported missing about two weeks ago.

Sports Roundup

By Hugh Fullerton, Jr.
NEW YORK, March 31.—(AP)—Real hard-luck guy of basketball is Earl Harris, Albright College coach. He worked all season tutoring an 18-year-old, six-foot, 85-lb. freshman for stardom next year—only to find him become a "beatnik"—and now the real makers have wiped out a season's labor. Juan Zarita, N.B.A. lightweight champion who fights like Jack tonight, said senior officer's license and has had 100 hours of solo flying.

Today's Guest Star
Don Desatay, Philadelphia Evening Bulletin: Any ball player who is out after midnight in Frederick is either a sleep walker or just walking off for an overload of tired hustling communities at Bear Mountain, N.Y., Wallingford, Conn., and Cape Girardeau, Mo.

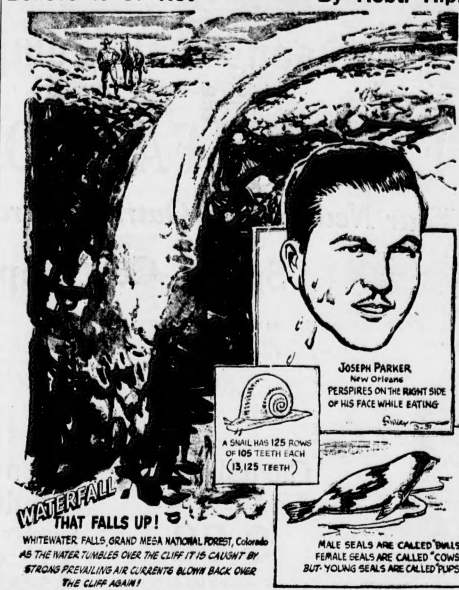

One-Minute Sport Page
The Philly Eagle report hearing from a football prospect who is 6'7" because I knew only one eye few bad teeth, a bad nose, 14 feet and a bad knee. If his name ever looks out, the Eagles fear the rash of rival clubs to sign the guy will be terrible. Freddie Sims, the one who once managed Cleo Shens for Oshawa and Johnson reports that Mike Bertie has offered \$50,000 for a half interest in lightweight Mike Della. "Wonder why he always picks comedians?"

York to Report
EVANSVILLE, Ind., March 31.—(AP)—Buddy Roy, Tiger first baseman and major league home run champion, was ordered by the Selective Service Board Thursday to report next Monday at Cartersville, Ga., for his pre-induction physical examination. York was reclassified 1A several months ago but decided to remain with the club until called for service.

RADIUM IN INDUSTRY
Some large manufacturing plants use more radium than the largest hospitals. Engineers use radium to detect leaks in take pictures through foot-thick metal castings to detect flaws.

Ross Young Is Named Greatest

Rickey Told Gus Mancuso

He Would Never Slow Up

NEW YORK, March 29.—August Rodney Mancuso had contact trouble with Branch Rickey after the Cardinals won the pennant in 1930. He finally settled. Mancuso's only fault as a catcher is that he runs Schmooza Lombardi a close second going to first base and after getting there.

Bears Deadlock

American Series

HERSHY, Pa., March 31.—(AP)—Hershey Bears rallied after a Cub and Dodgers, and at last back to the Red Birds in the Stanley Cup final to catch 106 games in 1941. Again there was a controversy over time, Rickey inquired about the veteran's condition.

Aces Win Again

HALIFAX, March 31.—(CP)—Quebec Aces had a much speed and finish for two Beacrafts Thursday night and the Quebec Aces, who challenged, scored a 7-4 win over the maritime representatives to take a two-game lead in the best-of-five eastern cup semifinals.

Some DISPUTE CLAIM

Roy Ryan and Burleigh Grimes dominate the late Ross Youngs as the greatest of all ball players, and the motion is seconded by Burleigh Grimes.

"I was in the majors for many years," says Ryan, "piled in both leagues, saw some fine players. Ruth, Gehrig and many more, but the best, in my opinion, was Youngs. Some dispute of Youngs, John McGraw called him the best player I ever played with."

"Two slow-footed guys batted behind of Ross and still the other side had trouble completing double plays. The San Antonio Express wrote that McGraw was a 'juggernaut'."

He came close to knocking shortstops and second basemen out of parks as he slid into the bag to break up double plays.

"The never seen or heard of another player like Youngs."

Youngs, stricken by a fatal illness at the peak of his career, shortly after the Giants' pennant-winning years of 1922-23-24, was indeed a remarkable outfielder."

McGraw's best ball player. But not even John McGraw would rate Ross Youngs ahead of Tris Speaker, Cobb and Honus Wagner. They were in a class apart."

Roy Ryan and Honus Wagner are 7-0 Cobb and Honus Wagner too late if at all.

LEGEND OF THE CROSSBILL

The crossbill was decared by religious writers at early times while attempting to pull the iron nails from the hands of the crucified Christ.

800 At Function

Hon. E. C. Manning Honored As Reception Held Marking Elevation To Premiership

Attended by 800 citizens representative of all walks of life in Edmonton, a public reception marking the elevation of Hon. Ernest Manning to the premiership of Alberta was held in the Masonic Temple Thursday night.

Highlight of the function was a presentation to Mr. Manning by Mr. Justice Frank Ford, chancellor of the University of Alberta, of an oil painting by Ronald Giesing, Calgary artist, depicting a typical Alberta scene. An accompanying presentation to Mrs. Manning, of a bouquet of flowers and an antique English pottery vase, was made by Mrs. C. R. Wood, Social Credit M.L.A. for Stony Plain.

Following brief remarks of acceptance by the premier and Mrs. Manning, and a musical program, a reception was held on the main floor of the temple, where guests representing civic, educational, religious, military, political, and labor organizations tendered their congratulations to Canadian youngest premier and his wife.

RECEIVE GUESTS

Receiving guests at the reception were His Worship Mayor J. W. Fry and Mrs. Fry, and N. B. James, Social Credit M.L.A. for Edmonton and Mrs. James.

On the platform for the formal period of the program were Mr. and Mrs. Manning, Mr. and Mrs. Fry, Mr. Justice Ford, David Dunsmuir, president, Edmonton Social Credit Constituency Association, who was program chairman; Mrs. Wood, Rev. R. McKillop Thompson, Mr. James, Hon. Dr. W. W. Cross, minister of health and public welfare; Hon. W. A. Fallow, minister of public works; A. E. Ottewill, registrar, University of Alberta; Alfred Farnio, Dr. E. Wershow and S. Baxter.

First speaker to extend greetings and congratulations to Mr. Manning was Mayor Fry, who recalled dealings he has had with the premier in regard to business. The mayor said he has been impressed by the courtesy, fine spirit and intelligent hearing always accorded at these meetings. Referring to the coming post-war period, Mr. Fry added he was glad to note Mr. Manning's government is making preparations to meet problems that will arise when the men come back from overseas.

Mr. Thompson, president of Edmonton Ministerial Association, brought greetings on behalf of his group. He wished health, strength and happiness to the premier, in carrying out his duties, on behalf of the religious constituency of this country.

Mr. Wershow, president of the Zionist Council expressed felicitations on behalf of that organization and said "The Premier, Manning, we have a person who has publicly denounced the persecution of the Jewish people."

TRIBUTE FROM LABOR

Speaking on behalf of the Edmonton Trades and Labor Council, Mr. Farnio told of the "courtesy and splendid consideration" given by the government, when requests and submissions have been placed before it.

He made reference to serious social problems to be faced in the post-war period, saying "We will need men of faith, courage and balance to handle the situation," and added he could see no reason why the present government, headed by a native-born son, could not give a splendid lead to citizens of Alberta to face coming problems, if given the opportunity to do so.

Mr. Baxter, representing the Amalgamated Building Workers of Canada, congratulated the people of the province on their choice of premier. On behalf of his "all-Canadian union," he thanked the premier "for the fact that Alberta can boast of the best labor legislation in Canada."

Mr. Justice Ford, making the presentation to Mr. Manning, said political friend and for alike hold in high esteem his character and integrity. He offered the gift as a tangible evidence of Edmonton citizens' sincerity and appreciation.

EXPRESSES THANKS

In reply, the premier expressed his thanks to Mr. Justice Ford and other speakers for their remarks, saying he appreciated particularly the sentiment and friendship lying behind messages delivered.

While public life today carries with it serious problems and demands, among recompenses to persons carrying the stress and strain of public life is the privilege of drawing strength from the

Honored

Premier Ernest Manning, who was honored at a public reception at the Masonic Temple on Thursday night. About 800 persons attended to pay tribute to him on his elevation to the position of premier of the province and president of the executive council.

acquaintance of friends, Mr. Manning said, "I will never look at this picture without remembering the friendship of the good people of Edmonton," he added. The premiership of a province is an office symbolic of the people as a whole. "As long as I occupy it, my desire will be to reflect credit to the people of the province whom that office symbolizes and represents," Mr. Manning continued. "That is my one desire and great intention."

MUSICAL PROGRAM
Following Mrs. Wood's presentations to Mrs. Manning, musical selections were enjoyed. Those taking part included: Miss Catherine Zender, accompanied by Miss Betty Powers, solo; Mrs. Jessie M. Kirby and Avenir Nozif, piano duo; Roy Shaw, R.C.A.F., accompanied by Miss Myrtle Cook, solo; A. Halliwell, accompanied by Grayson Dodd, violin solo; and Mrs. D. McKee, accompanied by Mrs. W. E. Barnes, solo.

A social hour and refreshments followed the evening to a close.

Among organizations represented at the reception were the Imperial Legion of Frontiersmen, the Veterans Volunteer Reserve, the Civil Service Association of Alberta, Edmonton Chamber of Commerce, various civic and governmental departments, and officers and men of military and naval establishments in the city.

Mr. Col. E. Brown, M.M., R.D., area commander, headed the military delegation at the reception. Lt. Col. R. Walter Hale, M.C., D.D., headed a group of officers from the 2nd (H) Battalion, The Royal Edmonton Regiment, while Lt. Col. J. A. Dawson, R.C.N.V.R., represented R.M.C.S. Nomon, Canadian Navy station here.

**Post-War Plans
Outlined at City
Lions' Club Meet**

D. E. Mould, chairman of the Edmonton Rehabilitation Committee, was guest speaker at the Lions club regular Thursday noon lunch meeting.

Mr. Mould presented the proposed program for post-war rehabilitation which has been given before several service clubs in the city.

He stressed that a sound rehabilitation program could only be achieved by active co-operation between the various organizations in the community and the government.

Among the guests at the meeting were visiting Lions from Lacombe, C. D. Marlin and Wes. Jackson, President Gordon Owen was chairman.

Cadets' Parade
See Cadets will parade Friday at 1:30 hours. Big of the day: Blues with jerseys and overcoats. All members of the band must be present at this parade as special equipment will be issued to them.

Aussie Militiamen
"See" Foreign Soil
 SAN FRANCISCO, March 31.—Ankita, Netherlands news agency, reported in a dispatch from the southwest Pacific yesterday that Australian militiamen, conscripted for home defense, set foot on foreign soil for the first time in the Dominion's history last May in southern Dutch New Guinea. Ankita reported the Australians landed on the swampy coast to reinforce the Dutch garrison.

All From EATON'S!

Chesterfield Coats

For every age—Junior Miss, Miss and Matron all wear them. Fitted and box lines... some velvet, some self colors... wool, pique and fine wools... "Splash" shades of red, pink and moss... basic hues in cocoa, chocolate brown and black. Sizes 12 to 30.

\$12.95 to \$39.50

Tweed Coats

Tramping in the country... shopping in the city... the "Wear-Everywhere" wool tweed coat, tailored on boxy lines... domestic and imported wool tweeds... sizes 12 to 44. EACH.

\$17.50 to \$29.75

Fur-Trimmed Coats

"Honeymoon" coats... fine wool materials, with luxuriant bleached wolf collars... boxy lines... beige, cocoa, brown, aqua, red and tweeds are your colors... sizes 12 to 40. EACH.

\$55.00 to \$69.50

Dressmaker and Tailored Suits

Soft and subtle... impeccably tailored lines... wool materials including worsteds, gabardines, tweeds and herringbones... "foundation" shades of black, navy and brown, as well as color-bright tones. Sizes 12 to 44. EACH.

\$17.50 to \$39.50

Your Easter Dress

They're running a close race for first in popularity... one and two piece dresses... good rayon materials... prints and plaids... styles and shades as tempting as ice cream at 100 deg. in the shade. Sizes 12 to 44. EACH.

\$8.95 to \$39.50

—Ready-to-Wear, Second Floor.

And What Is Easter Without a New Hat?

If it's a casual, sportive type you want... choose a wool felt topper... a buckle beret... a pork pie... a dip brim model... veils and self trims... many, many colors. EACH.

\$1.98

If you go for a naughty bit of femininity... select a tiny flowered straw (trade name)... an individualistic fur felt... a captivating "Dutchy"... you'll love them all. EACH.

\$5.00

And the better hats... fur felts and straws (trade name)... including Lady Biltmores... half hats... flowers and frothy veils... ribbon trims. EACH.

\$5.95 to \$17.50

getting a new
SPRING SUIT?

have it for Easter
